

Cambridge IGCSE Computer Science November 2022 - 0478/23 Pre-release material IMPORTANT NOTICE

For the attention of the Exams Officer and the Computer Science teacher.

IMPORTANT: This Cambridge IGCSE Computer Science 0478/23 pre-release material is for candidates entered for Paper 23 examination in November 2022 **only**.

To maintain the security of our exams, we allocate all Cambridge schools to one of six administrative zones. Different components are offered in the different administrative zones. The *Cambridge Guide to Making Entries* (available from the 'Support Materials' section of CIE Direct) contains details of the components that are offered in your administrative zone. You can find out which administrative zone you are in at www.cambridgeinternational.org/preparation.

It is **your** responsibility to prepare candidates for their IGCSE Computer Science examination using the pre-release material for the correct component. If you are unsure of the component that your candidates will be entered for, and therefore the pre-release material to download, please contact info@cambridgeinternational.org

Please note section 5.5.4 (h) of the *Cambridge Handbook 2022*.

If you discover that you have prepared candidates for the examination using an incorrect version of the pre-release material, please contact Cambridge International immediately.
